

ESLAM HUSSEIN ABD EL-HAMID

Dear Hiring Manager,

I am writing to express my strong interest in the Electronics and Circuit Design Engineer position that was recently advertised on your company's website. With my experience in electronics, and circuit design, and good learner and researcher, I believe I would be an excellent fit for this position.

I hold a Bachelor's degree in Electronics and Communication Engineering and have worked in the electronics industry for over 2 years, with a focus on circuit design, Embedded Systems, and development. In my current role, I have been responsible for designing and implementing a variety of electronic circuits and Embedded systems, including PCB layout and design, schematic capture, and firmware development. I have also worked with a variety of software tools and programming languages, including Altium Designer, KiCad, C Programming, and Embedded Systems

so I am looking forward to developing and enhancing my knowledge in electronics and PCB design, as well as contributing to a team with strong collaboration skills in this industry."

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further.

Sincerely,

Eslam Hussein Abd El-Hamid
